

Spark & Co. - Outreach Partners

Details

Outreach Partner contract

Time frame: Delivered over the course of Jan - March 2021

Budget: upto £2k per contract

Overview

We are looking for Outreach Partners in London, Birmingham and Glasgow who will work collaboratively with us to deliver a programme of support to their users.

Spark and Co. is able to provide funding and support to deliver a programme of support that includes some or all of the below;

- Understanding user needs
- Developing or supporting befriending services
- Tackling digital exclusion by bridging the gap between online and offline
- Assisting us in the delivery of workshops to your community, on topics such as health and wellbeing

We're looking for organisations who have deep knowledge or frontline expertise working with people of colour in the UK; and want to share this to help us achieve our mission to provide information, support and connection. You will work with us to provide insight that enables us to understand your community and users better, and drive the direction of the partnership.

What your organisation will be doing:

- Sharing research, insight & expertise on current issues affecting people of colour / your organisations users
- Gathering and sharing feedback from users or potential users
- Working with the Spark and Co. team to determine activities (this can be befriending, tackling digital exclusion, providing workshops, or a combination of these) and timelines
- Supporting, championing and driving Spark and Co. on its mission by signposting to our work and services

Organisations will:

- Have knowledge and expertise working with marginalised groups and people of colour in the UK
- Be a champion for equality, inclusion and be striving to create a more equal society
- Be able to provide knowledge or insight on trends affecting people of colour in the UK

- Be a charity, community organisation, social enterprise, or profit with purpose - though the legal structure isn't as important as your mission!
- Will be delivering outreach or support work in the following areas:
 - Hardship and debt support
 - Food, essentials and housing
 - Employment and training
 - Immigration, refugee and asylum
 - Support for vulnerable children and families
 - Domestic violence
 - LGBTQ+ support services
 - Faith based support
 - Health and wellbeing

How we work

- Each contract will be tailored to the partner - we'll work as a team to agree the deliverables and the deadline
- You'll be measuring, tracking and reporting against some key metrics that we agree together e.g. number of participants
- We may ask you to share information / data on your impact to help us inform our approach

Get in touch

If you're interested, email jessica@sparkandco.co.uk with:

- The link to your organisation's website
- Any example of your work / outreach
- A short email telling us a bit more why you're interested

Please get in touch by 5pm on 6th Jan 2021.

We strongly encourage those with lived or professional experience of working with Black, Asian and Minority people and communities in the UK to get in touch.
